

Youngstown Community School

Online Day Plan

Youngstown Community School, to the extent possible, will provide for teacher-directed synchronous learning in which the teacher and students are interacting in real time on a virtual learning platform during the closure.

Youngstown Community School will follow the Board Approved Attendance Policy and its attendance requirements, and will document participation in learning opportunities by logging in, submission of work or projects, completion of online activities, participation in virtual learning as outlined by the teacher(s).

Youngstown Community School staff and teachers will reach out to students to ensure engagement during the closure via ClassDoJo, phone, email, texts, and via online Google Classrooms sites or via resources linked to the teacher pages.

Youngstown Community School will provide access to online resources, technology and individualized lessons as required or deemed necessary based on individual student needs. Students with specific needs will receive additional time with teachers and staff to ensure learning goals are met.

Youngstown Community School will use tv, radio, ClassDoJo, email, phone alerts to notify staff, students and parents that it will be using online delivery of instruction. Parents and Guardian can contact teachers by telephone, email or a virtual learning platform during the closure or via individual student ClassDoJo links and communication tools.

Youngstown Community School parents and students as well as staff will be provided with internet connectivity and technology for online delivery of instruction as needed. Staff will utilize staff issued laptops, while students will be issued Chromebooks. Connectivity will be provided by an outside vendor and access provided to all in need.

The written consent of the teachers' union representative is not required as Youngtown Community does not have a union.
